New Student In-Processing:

Civilian Residential and Commuter students will check in at Milano Ballroom to receive their Cadet Card, iPad, and room keys while meeting with key campus offices.

Welcome Session:

Norwich University leaders will welcome students and families into the Norwich community, with lunch provided for all guests.

Information Technology Services (ITS):

After completing the ITS module, students will navigate the SSO system, address device connectivity, access labs and printing, explore the iPad Digital Citizens program, get an introduction to Brightspace (LMS), and learn about student support resources.

Advising and Registrar:

The Academic Advising Coordinator and Registrar will cover accessing academic records, key policies, and resources, while students can review schedules, understand first-week advising expectations, and ask questions.

Center for Academic Success and Achievement (CASA):

Explore CASA's programs and resources to build on strengths, excel in your major, and achieve academic goals. Students are encouraged to engage with CASA and consider becoming Peer Tutors.

Academic Integrity:

An introduction to the Honor Code and an overview of the Academic Integrity process, with time for questions.

Norwich and Military Traditions:

Discover the traditions and courtesies that define the experience of attending the nation's oldest private Senior Military College.

NU Student Rules and Regulations (NUSRR):

Learn about Class I violations, and related disciplinary actions, and ask questions about the NUSRR.

Title IX:

Learn how to report sexual and gender-based misconduct, access resources and support, explore resolution options, and promote community safety.

Counseling and Wellness Center (CWC):

Explore CWC services, how to schedule appointments or refer others, common counseling reasons, get accurate information about what seeking support could mean for a future career in government.

Public Safety:

Get a chance to talk with the Public Safety Officers who patrol the campus every day and night.

Online Orientation Course Completion:

Complete the online Orientation course on Brightspace before classes begin.
